LOCAL ATTRACTIONS

While Holman Ranch offers a plethora of activities and things to do on property, there are some wonderful off-premise adventures you will want to explore. Try shopping—the shops of Carmel are mere minutes away. Like the beach? Water babies will be thrilled to go for a swim or watch the waves roll in at Carmel, Pebble Beach, or Big Sur. Head to the Monterey Bay Aquarium where you can observe sea creatures, watch sharks and penguins feed, and even encounter an Albatross. Naturally, what's a vacation without a round (or two) of golf? Carmel Valley Ranch, Pebble Beach, or Quail Lodge will all satisfy that ever-present desire. Try your luck at Mazda Raceway Laguna Seca or hike in Garland Ranch Park. The beauty of Holman Ranch lies in that it is far enough away from "civilization" to be private and relaxing, but close enough to be convenient and accessible.
